This is subject to change and depends on economic conditions at the time. This assists towards the costs of managing the bank account, regulatory reporting, daily reconciliation, making payments, mandate changes and ongoing correspondence with the bank.
Property insurance commission	We may receive a commission share from property insurance brokers. This does not affect the premium payable by you and is not compulsory.

3. It is not always possible to guarantee a fixed fee for certain items of work, as they vary depending on their nature, complexity and amount of time involved. We have a cap of £1,200 p.a. for our standard annual member fees but where there are multiple members, multiple complex transactions or a complex Scheme structure we must agree additional fees either on an annual recurring basis or on a time cost basis at a standard rate of £150 per hour plus VAT (£250 per hour plus VAT for work carried out by a director). We will aim to quote an overall fee at outset and do everything possible to work within the quoted fee although this is not always possible.
4. Our additional annual fees mentioned above for items such as pension payroll and holding property are charged annually at the scheme anniversary. In addition, on a transfer-out or scheme wind-up, any annual in arrears fees due will also be charged.
5. The scheme will be liable for external transaction costs such as stock exchange fees, custody fees, stockbrokers' commission, stamp duty, valuation and legal fees and bank charges.
6. We ask that a minimum balance of £1,000 is held in the pension scheme's bank account to cover any regulatory costs or unanticipated expenses. Where illiquid assets such as property are held we ask that a minimum balance of £5,000 is maintained.
7. Our fees do not include fees payable from the Scheme fund to an appointed Adviser, Investment Manager or third party. These will be subject to a separate agreement between the relevant party and the Member Trustees.
8. Our fees may increase. We will give you at least 30 Business Day's notice in advance of the amendment or increase.
9. We send VAT invoices for our fees to our main contact for the scheme. Fees are payable within 30 Business Days of the date of our invoice.
10. Our fees may be automatically deducted from the pension scheme's trustee bank account when they fall due, or you may opt for them to be settled by a Principal or Participating employer of the scheme. Where you have chosen for fees to be taken from the scheme bank account, we will withdraw the amount due within two weeks of issuing the invoice or, in the case of a new scheme, as soon as cleared funds are available. If there are insufficient funds available in the scheme bank account, we will ask you or your adviser to arrange settlement by disinvesting other scheme investments in accordance with your agreement that payment will not be unreasonably withheld. We have the right to pursue payment of unpaid fees from the Member Trustees personally. Where you opt for our fees to be paid by a principal or participating company of the scheme and fees are not paid within 30 days, we reserve the right to deduct our fee from your scheme bank account.
11. Where there is no longer an employer connected to the scheme, we will automatically deduct our fees from the pension scheme bank account.
12. There are regulatory levies applied to your scheme such as the Pensions Regulator, Information Commissioner and HM Revenue & Customs. We will pay these levies and charges from your scheme fund by deduction from the trustee bank account, other assets of the fund or by requesting payment by the Principal Employer or Member Trustees. These levies and charges can change over time and we cannot therefore be specific as to their amounts.
13. We reserve the right to continue to charge fees for as long as there are scheme investments registered in the name of Whitehall Trustees Limited.
14. Our fees may change over time and our current fee schedule will be available on our website and is sent to you annually. Our current schedule will be the applicable schedule for each SSAS we operate.
15. We reserve the right to charge interest on late payment of our fees at a rate of 3% p.a. above the Bank of England base.
